

Corporate Information

Tesoro Media LLC. has been in operation for 3 years and was founded in July of 2004. "The inventory was in need of a face lift," stated John Montague, VP of Tesoro Media. Billboard faces were embellished with new frames and overall cosmetic improvements of this under-valued plant.

The operators of the company have a combined 50 years in the outdoor industry. Every advertising campaign is met with a quality staff where every detail from graphic production to postings is micro managed. Through experience and attention to the details affords Tesoro Media's clients the assurance that posting and overall presentation is met with the success.
